

PREPARING YOUR HOME FOR VACATION

HIGH PRIORITY

- Doors and windows locked
- Turn off home's main water supply
- Check sump pump
- Turn up the Air Conditioner to 80° (but don't turn it off)
- Unplug electronics
-
-

MEDIUM PRIORITY

- Keep flowers alive with a soaker hose
- Put timers on lights
- Stop mail services or get a volunteer to collect it
- Seal up any open boxes or bags of food
- Check up on your home insurance
-
-

LOW PRIORITY

- Pour baking soda and vinegar down the drain
- Don't post on social media until after you're home
- Freeze a meal
- Clean the house
-
-
